

# VINNYTSYA NATIONAL PIROGOV MEMORIAL MEDICAL UNIVERSITY

VINNYTSYA UKRAINE

## MESSAGE FROM THE RECTOR

We are grateful to you for your interest in our University.

National Pirogov Memorial Medical University of Vinnytsia offers you to receive profound higher education at the level of the world standards.

The highly qualified staff of the University will ensure your mastering of a chosen speciality at the faculties of Medicine, Dentistry and Pharmacy, Preparatory Faculty for foreign citizens, and also post-graduate studies.

The program of training is subordinated to the main purpose: achieving the level of professionals that gives the right to receive the Physician Degree and the title of the “Doctor of Medicine”.

The long-term experience of training students from all over the world has allowed to create a unique combination of the academic programs and auxiliary services.

Here you can find the information about the University. We thank you for the interest. If you need our assistance please, contact us.

Faithfully yours,

**Professor Vasyl' Maxymovych Moroz**

**The Rector of the University**

## VINNYTSYA CITY-THE LIFE ,THE STANDARDS AND THE POSSIBILITIES

Vinnytsya is the administrative, economic, regional centre of Ukraine. The city is located on the banks of the river Pivdenny Bug, 260 kms to the south of the capital of Ukraine Kiev (3 hours by train), 14 hours by train from Moscow and 6 hours – from Odessa and from Lviv).

The city is connected by railway and by air to the western Europe and other countries of the world. The average winter temperature is  $-5 -10^{\circ}\text{C}$  below zero, in summer it is usually  $+22 - +27^{\circ}\text{C}$  above zero. Vinnytsya is known as a students' city of Ukraine, it is proud of such outstanding educational institutions as Vinnytsya National Medical University, Vinnytsya National Technical University, Vinnytsya State Pedagogical University, Vinnytsya Trade and Economics Institute of Kyiv.

National Trade and Economics University, Vinnytsya State Agricultural University.

The University has 5 hostels, 4 canteens, 7 buffets. During the period of studies at the University each student is provided with a room in a students' hostel which is equipped with good furniture, appropriate maintenance service, kitchens, shower rooms and other places of common for some extra charge. In the hostels the passing by regime functions and the appropriate protection is ensured.

For US \$ 25-40 per month a place in a comfortable hostel room with a TV set, a telephone, a refrigerator is provided.

# INTERNATIONAL STUDENT'S FACULTY

International Student's Faculty (ISF) of VNMU was founded in 1996. The faculty works to further integrate the university into European and world's educational medical system. It strives to study and apply the leading experience in the field of higher medical education, to develop research, to promote VNMU achievements in the world. The increase of the number of international students is a sign of FSF's high professionalism. It also confirms the quality of education delivered to students from all over the world

International students can choose from a number of graduate and post-graduate programs in various Medical areas.

Students have an option to select the language of instruction for their courses. Currently the courses are offered in English, Ukrainian and Russian languages. About 90 % of international students study in English.

Students who want to study in the Ukrainian or Russian languages can enroll to a 10 months program at the Preparatory Department that teaches Ukrainian or Russian.

# STUDENT 'S LIFE

Students are offered accommodation in university dorms. The rooms are for 2 and 3 students. All rooms are furnished with necessities for living. The accommodation fee includes the use of library, gym, laundry and Internet facilities. Free internet is available on the ground floor of the student dorm. It is also possible to get internet connection directly in the room through ISP. Students actively participate in sports and cultural programs of the university, as well as events taking place in
